

HISTORY

Church camp meetings began many years ago in the days of circuit riding missionaries. Preachers would ride their horses from ranch to ranch, preaching as they went, camping gear in tow. In those days cowboys and settlers would come from around the area to hear the non-denominational preaching. The first New Mexico camp meeting was held in 1940 at Nogal Mesa, NM. 83 years later we continue to worship on Nogal Mesa.

YOUTH

We offer bible studies for youth ages 3 through 12th grade. They will be broken up into three groups: ages 3-5, ages 6-11, and grades 7th - 12th. The schedule provides meeting times for each.

The children bible studies mirror a vacation bible school setting. The kids will enjoy games and crafts that all relate to the bible content being taught.

The youth (7th - 12th grade) studies provide teens with a discussion based outline to ask questions, learn from scripture, and create lasting friendships.
